10:00 Appearances

10:00 Court addresses the parties.

10:01 Plaintiff's counsel notes the unclaimed funds would revert to the defendant.

10:01 Defendant's counsel comments regarding final order approving settlement. The parties would ask that the final order not be entered until October 31, 2011 to comply with CAFA and would ask that the court amend the settlement agreement to allow notice to go out to three individuals with a 30 day period for objections. In the event of objections by those three individuals, the parties would request another date for a fairness hearing, otherwise, the order would be final after that thirty day period.
